the Developer may determine to be necessary to carry out the purposes in such a way as to be beneficial to all purchasers or to further clarify and to explain the obligations, responsibilities and limitations of the lot owners as set forth in the preamble hereof.

7.02 Duration of Covenants, Restrictions, Reservations and Servitudes. The covenants and restrictions of this Declaration shall run with and bind the Subdivision, and shall inure to the benefit of and shall be enforceable by the developer or any lot owner, their respective legal representatives, heirs, successors, and assigns, perpetually to the extent provided by law; provided, however, so long as Georgia law limits the period during which covenants restricting land to certain uses may run, any provisions of this Declaration affected thereby shall run with and bind the land so long as permitted by such law, after which time, any such provisions shall be (a) automatically extended (to the extent allowed by applicable law) for successive periods of ten (10) years, unless a written instrument reflecting disapproval signed by a majority of the then lot owners has been recorded within the year immediately preceding the beginning of a ten (10) year renewal period agreeing to change such provisions, in whole or in part, or to terminate the same, in which case this Declaration shall be modified or terminated to the extent specified therein; or (b) extended as otherwise provided by law. Every purchaser or grantee of any interest (including, without limitation, a security interest) in any real property subject to this Declaration, by acceptance of a deed or other conveyance therefor, thereby agrees that such provisions of this Declaration may be extended and renewed as provided in this Section.

7.03 Waiver. The Architectural Review Committee may grant waivers from this Declaration in instances where unique and unusual circumstances prevail that would cause significant economic loss on the part of a lot owner to comply with this Declaration and further provided, that no waiver shall be effective unless written notice thereof is mailed, postage prepaid, to all record lot owners within fifteen (15) days prior to the granting of said waiver.

7.04 Captions. The captions to the paragraphs provided here are only to aid the reader in locating the general subject matter of the Articles and paragraphs and do not in any way alter, amend, limit or expand the content of any Article and paragraph.

7.05 Notice of Sale, Lease or Acquisition. In the event an lot owner sells or leases such lot owner's lot, the lot owner shall give to the Association, in writing, prior to the effective date of such sale or lease, the name of the purchaser or lessee of the lot and such other information as the Board may reasonably require. Upon acquisition of a lot, each new lot owner shall give the Association in writing the name and mailing address of the lot owner and such

other information as the Board may reasonably require.

**ARTICLE 8**  
**ASSESSMENTS FOR MAINTENANCE**  
**OF LOTS, EASEMENTS, AMENITIES AND OTHER PUBLIC SERVICE**

8.01 Assessment. Each lot owner, for himself, his heirs, executors and assigns, as well as Developer, covenants and agrees to pay to Developer, its successors and assigns, from the date of purchase of a lot an assessment on such lot (the "Assessment") to be utilized only to pay the cost of maintaining, repairing and operating any amenities established by Developer or the Association for use by lot owners, and for the maintenance, upkeep, landscaping and improvement thereof, and of road sides and easements and to provide public services, including but not limited to, garbage collection, street lighting and lighting of easements and amenities.

8.02 Assessment Limited. The assessment from the date hereof shall be Twenty Five and No/100 Dollars (\$25.00) per month per lot, provided such amount may be increased by a vote of two-thirds (2/3) of the lot owners and any increase in the monthly payment shall not exceed ten percent (10%) of the amount of the monthly assessment assessed at the end of the previous calendar year, unless an increase in excess of ten percent (10%) is approved by the vote of eighty percent (80%) of the lot owners. Notwithstanding the foregoing, a lot owner who owns two or more contiguous lots shall not be required to pay the full Assessment on all the contiguous lots. Such a lot owner shall pay the full Assessment on the first lot, Five Dollars (\$5.00) less than the full Assessment on each additional lot. The Assessment shall be held separately by the Association and shall only be used for the purposes set forth herein. Developer shall not be required to pay assessments on lots held for sale.

8.03 Assignment to Association. Developer has transferred and assigned the right and duties to collect the Assessment to the Association and all lot owners shall pay the Assessment to the Association.

8.04 No Assessment Against Lot With Unoccupied House Held by Builder. Notwithstanding any other provision of this Article or this Declaration, a builder who owns a lot shall not be liable to pay any Assessment against that lot for the period of time beginning with the start of construction on the lot of a residence for sale, and ending on the first to occur of (I) the date on which the lot is sold to a third party, (ii) the date on which the residence is first occupied, or (iii) the first day of the thirteenth full calendar month following the issuance of a certificate of occupancy for the residence constructed on such lot.

8.05 Lien for Assessments. All sums assessed against any lot pursuant to this Declaration, together with late charges, interest, costs, including, without limitation, reasonable attorney's fees actually incurred, as provided herein, shall be secured by a lien on such lot in favor of the Association. Such lien shall be superior to all other liens and encumbrances on such lot, except for (a) liens for ad valorem taxes; or (b) the lien of any first priority mortgage covering the lot and the lien of any mortgage recorded prior to the recording of this Declaration; or (c) the lien

of any secondary purchase money mortgage covering the lot, provided that neither the grantee nor any successor grantee on the mortgage is the seller of the lot.

8.06 Effect of Nonpayment of Assessments: Remedies of the Association. The personal obligation of the lot owner and the lien for Assessments shall also include:

- (a) A late or delinquency charge not in excess of the greater of \$10.00 or ten percent (10%) of the amount of each assessment or installment thereof not paid when due;
- (b) At a rate not in excess of ten percent (10%) per annum, interest on each assessment or installment thereof any delinquency or late charge pertaining thereto from the date the same was first due and payable;
- (c) The costs of collection, including court costs, the expenses required for the protection and preservation of the lot, and reasonable attorney's fees actually incurred; and
- d) The fair rental value of the lot from the time of the institution of an action until the sale of the lot at foreclosure or until judgment rendered in the action is otherwise satisfied.

Not less than ten days after notice is sent by certified mail, return receipt requested, to the lot owner both at the address of the lot and at any other address or addresses which the lot owner may have designated to the Association in writing, the lien may be foreclosed by the Association by an action, judgment, and foreclosure in the same manner as other liens for the improvement of real property. The notice shall specify the amount of the Assessments then due and payable together with authorized late charges and interest accrued thereon. The Association shall have the power to bid on the lot at any foreclosure sale and to acquire, hold, lease, encumber, and convey the same. The lien for Assessments shall lapse and be of no further effect, as to Assessments or installments thereof, together with late charges and interest applicable thereto, which first become due and payable more than three (3) years prior to the date upon which the notice contemplated in this subsection is given or more than three years prior to the institution of an action therefor if an action is not instituted within ninety (90) days after the giving of the notice. In the event that the assessment remains unpaid after sixty (60) days, the Association may, as the Board shall determine, institute suit to collect such amounts and/or to foreclose its lien. Each lot owner, by acceptance of a deed or as a party to any other type of a conveyance, vests in the Association or its agents the right and power to bring all actions against such lot owner personally, for the collection of such charges as a debt or to foreclose the aforesaid lien in the same manner as other liens for the improvement of real property. The lien provided for in this Article shall be in favor of the Association and shall be for the benefit of all other lot owners.

No lot owner may waive or otherwise exempt himself from liability for the Assessments provided for herein, including, by way of illustration, but not limitation, abandonment of the lot. No diminution or abatement of any assessment shall be claimed or allowed by reason of any alleged failure of the Association to take some action or perform some function required to be taken or performed by the Association under this Declaration or the Bylaws, or for inconvenience

or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken by the Association to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority, the obligation to pay Assessments being a separate and independent covenant on the part of each lot owner.

All payments shall be applied first to costs, then to late charges, then to interest and then to delinquent Assessments.

8.07 Date of Commencement of Assessments. The Assessments provided for herein shall commence as to a lot subject to this Declaration on the first day of the month following the conveyance of such lot to a person who has purchased such lot for the purpose of construction of a residence and resale of such lot and residence. Assessments shall be due and payable in a manner and on a schedule as the Board may provide. Lots which have not been so conveyed shall not be subject to assessment. The first annual assessment shall be adjusted according to the number of months then remaining in that fiscal year.
